

Why would YOU want to contribute \$200-\$400 to Northern Arizona Academy?

YOU get the \$200-\$400 back!

Your donation will be credited toward any taxes owed to the State of Arizona.

YOU designate exactly where you want your tax dollars to go to work . . . and your tax dollars stay in your community instead of going to the Department of Revenue.

Here's how it works:

You contribute up to \$400 to NAA. When you file your taxes, you take a credit for up to \$400 off of any taxes owed to the State of Arizona regardless of how much you may have had already withheld from your pay check or paid in advance.

*This information does not constitute legal tax advice. Please consult a tax advisor.

You are also supporting a valuable community asset!

Northern Arizona Academy is a North Central Accredited high school that has offered quality educational services since 1995.

NAA's Highly Qualified staff provide an individualized approach to education that emphasizes hands-on, project-based learning and fosters academic and personal success, while preparing high school students for future employment and academics.

Northern Arizona Academy is a valuable community asset striving to enrich our community by providing non-traditional educational opportunities.

Make your Contribution TODAY!!

Contributions must be post-marked on or before December 31.

Yes! I want to support NAA through the Arizona Tax Credit Program.
